

STOP THE SLIP with
HANDI TREADS

Grit Treads and Tape

HandiTreads® commercial-grade non-slip Grit Tape and Treads provide a high-traction surface for safety in homes and businesses. The aggressive adhesive system is designed to stick to virtually any surface and is great for wood shops, garages, basement steps, running boards, stairs, ramps, loading docks, ladders, and more. The photoluminescent shades add extra visibility, charging in only ~30 minutes of light to glow for up to 8 hours.

- Commercial-grade grit surface made with silicon carbide grit
- Helps prevent slips, trips, and falls in wet, oily, or slippery areas
- Can be installed on virtually any surface like wood, concrete, metal, tile, etc.
- NFSI certified for “High Traction” and meets Prop 65 and ADA standards
- Ideal for interior and exterior use in both homes and businesses
- Aggressive adhesive system made to last in high traffic areas
- Treads are pre-cut for easy installation at 6” x 24” in Solid Black, Black with Reflective Stripe, Black with Photoluminescent Stripe, or Solid Photoluminescent
- Tape is available in rolls of 2” x 30’ or 4” x 30’ in Black or 2” x 15’ in Photoluminescent
- Proudly made in the USA
